

A young boy in a grey jacket is covering his eyes with his hands, appearing to be crying or embarrassed. A girl in a dark blue jacket is looking at him with a concerned expression. They are standing in front of a red brick wall. The text 'Það er ekki töff að leggja í einelti!' is overlaid on the image in white, bold font.

Það er ekki töff
að leggja í
einelti!
